UK too slow to introduce quarantine

CORONAVIRUS spread faster in the UK as the Government failed to bring in quarantine rules for travellers in the early days of the pandemic, according to MPs.

The "critical errors" – including the "inexplicable" decision to lift all border restrictions in March – "accelerated" the scale and pace of the pandemic and led to "many more people contracting COVID-19", a Commons Home Affairs Committee report said.

The group of MPs backed the decision to include Spain in the current quarantine measures – although it hit out at the way travel corridor decisions were being made and called for improvements.

Some 10,000 people with COVID-19 may have entered or returned to the country in March, the committee, chaired by Yvette Cooper (*above*) said.

Ismaili was detained on suspicion of committing a homophobic hate crime.

He has been remanded in custody to appear at Brighton Magistrates' Court on Tuesday, police announced yesterday.

IDS reveals the true cost of Brexit

By COLIN HURST news@sundaysport.co.uk

THE European Commission has rejected calls for the Brexit Withdrawal Agreement to be rewritten after senior Conservatives complained it could leave the UK liable for £160 billion of unpaid loans.

Former Tory leader Sir Iain Duncan Smith said the deal means we are "hooked into the EU's loan book".

CLAIMS: Sir Iain

But Brussels said the commitments made in the Withdrawal Agreement – the divorce deal signed by Boris Johnson and the 27 EU members – are reasonable and will stand.

Sir Iain claimed that the UK's liabilities go far beyond the £39bn divorce deal – although the full scale of the financial implications will depend on defaults on loans made available through the European Investment Bank (EIB) and European Financial Stability Mechanism.

Liabilities

EC spokesman Eric Mamer insisted that the Withdrawal Agreement is a "firm document" which is not going to be rewritten.

He said: "I think it's very clear that we are not going to get into a debate with British politicians on liabilities.

"The Withdrawal Agreement is there, it is now a firm document that has been accepted by both parties.

"In this document it is clear that the UK has taken a certain number of normal legal commitments when it comes to its share of liabilities related to loans that would have been given by the EIB whilst the UK was still a member of the EU."

He added: "What we can say is that the Withdrawal Agreement stands, that in it the United Kingdom has taken a certain number of perfectly reasonable commitments related to the time when it was still a member of the EU relating to its share of liabilities on loans given out by the EIB."

Sir Iain claimed that the EU "want our money and they want to stop us being a competitor" and the Agreement "sadly helps them".

He said the Agreement "costs too much", "denies us true national independence" and "has to go".

He claimed: "Britain faces a £160bn EU loans bill after Brexit."

BREXIT SPARKS MIGRANT FLOW

BREXIT has sparked a wave of migration out of Britain to Europe similar to those caused by a serious economic or political crisis, claims a new study.

Migrations to EU countries have risen 30 per cent since the Brexit referendum, according to a joint project between the Oxford-in-Berlin partnership and the WZB Social Science Centre, also in Berlin.

The data showed that migration from the UK to EU states averaged 56,832 people per year from 2008-15, but climbed to 73,642 a year from 2016-18.

The number of UK citizens obtaining an EU member state passport also leapt – by more than 500 per cent across the Continent and more than 2,000 per cent in Germany.

The study compared the UK's data with "stable migration flows" among other EU nationals and found that Brexit had been the "dominant driver" of migration decisions.

1,000 Pizza Express jobs face the axe

PIZZA Express has said it could close around 67 of its UK restaurants and cut up to 1,100 jobs, as part of a major restructuring plan to shore up its finances.

The chain said it plans to launch a Company Voluntary Arrangement (CVA) "in the near future", in a move which could lead to the closure of 15 per cent of its 449 UK restaurants.

However, it stressed that the final outcome of the restructuring has "yet to be decided".

Pizza Express, which is majority-owned by Chinese firm Hony Capital, said it has also hired advisers to lead a sale process for the business.

The company closed all of its UK restaurants on March 23 after the Government-mandated lockdown, before starting a phased reopening of sites last month.

Seven held in 'mistaken' ID killing probe

SEVEN people have been arrested over the murder of a man who was shot dead in a case of mistaken identity after he left a convenience store.

Alexander Kareem, 20, was gunned down in Shepherd's Bush, west London, shortly after 12.30am on June 8 as he was scootering to a friend's house.

In the early hours of yesterday, investigators from the Metropolitan Police arrested five men aged between 18 and 24, a 16-year-old boy and a 35-year-old woman on suspicion of murder.

Det Ch Insp Wayne Jolley said: "This is a significant development in the investigation, however we will not be complacent.

"We will continue to work hard to make sure those responsible are brought to justice.

"I believe this murder to have been a case of mistaken identity, perpetrated recklessly and with no regard whatsoever for human life."

SISTERS JAILED FOR FRAUD SCAM

THREE sisters defrauded small businesses out of more than £50,000 by stealing till receipts with card details on, a court has heard.

Lynsey Burdon, 36, and her sisters Emmiline, 29, and Sarah, 40, from Manchester, were sentenced at Chester Crown Court on yesterday after admitting conspiracy to commit fraud by false representation.

Sion ap Mihangel, prosecuting, said: "The three defendants were all part of an organised group, to varying degrees, which operated in Cheshire, Merseyside and Greater Manchester, defrauding retail shops, restaurants, hotels and spas.

"The fraud occurred on a regular basis and continued despite lockdown restrictions which came into effect in the UK in late March."

The court heard the women stole till receipts and used the card details on them to make purchases, claiming their cards were damaged.

After payments were made the women would return purchased items or cancel hotel stays and ask for refunds to their own accounts.

Lynsey Burdon was jailed for two years and two months for playing a "leading role" in the conspiracy.

Emmiline Burdon was jailed for a total of two years and four months for the conspiracy.

Eldest sister, mother-of-two Sarah Burdon, was jailed for 18 weeks for her lesser role.

Smitten

Emilia and Tom have apparently bonded over their love of dogs – and were spotted together in London walking her pooch, Ted.

Tom previously dated 36-year-old Swedish actress Rebecca – who he worked with on the 2015 film *Mission Impossible: Rogue Nation*.

Both ladies have famously peeled off for the camera in the past.

A pal said: "Emilia and Tom have really hit it off. He's smitten with her and sees a long-term future between them."

A DRIVER has appeared in court accused of mowing down a plumber during a mass brawl in a park.

Alfie Tullett, 32, allegedly killed Frankie Bulbrook after a violent disturbance erupted between two groups in Chislehurst, Kent, on the evening of Friday, July 24.

It is claimed that during the fight, Tullett deliberately drove a blue transit van over 34-year-old Mr Bulbrook (*above*).

The cause of death was said to be chest and abdominal injuries consistent with being run over by a vehicle.

On July 30, Tullett was charged with murder and violent disorder.

He appeared in the dock at the Old Bailey yesterday.

Tullett, of East Malling, Kent, spoke to confirm his identity, giving his nationality as "white British".

'I WANT TO GRAB YOUR T*TS'

Then drunken City worker shoved hand down her jeans

By COLIN HURST
news@sundaysport.co.uk

A CITY worker drunkenly shoved his hand down a woman's jeans when she tried to help him into a cab after he was thrown out of a works do, a court heard.

Christopher Ross, 31, who worked for a major accountancy firm, groped the victim's bottom and slurred: "I want to grab your tits," Westminster Magistrates Court heard.

Prosecutor Jason Seetal told how Ross carried out the sex attack in the early hours of 22 December 2018.

"On 21 December in the evening, as part of a work night out, the complainant had gone there with other workers," he said.

"There had been some drinking from the defendant.

"By later in the evening, the defendant was asked to leave the venue on Fleet Street.

"Members of staff felt his behaviour was no longer appropriate."

Squeezed

The court heard that the complainant tried to help Ross get into a cab.

"She attempted to assist him," said Mr Seetal.

"She noticed at the time that he was intoxicated.

"He made some reference essentially to whether she was going to move in for a kiss.

"She said she was not going to kiss him.

"He leaned in and tried to kiss her.

"He wrapped his hands around her body and grabbed her bottom and squeezed.

"He also made an attempt to grab her breasts and made the comment 'I want to grab your tits'."

At this point, the horrified woman briefly fought him off, the court heard.

"She tried to call a colleague," said Mr Seetal.

"He put his hands underneath her jeans, under her underwear, and touched her pubic area.

"She managed to get his hand off. She pushed the defendant away and he fell."

Sacked

The court heard that the victim found the incident 'very difficult to talk about' and felt 'emotional' about it.

Ross, who appeared before the court wearing a surgical mask, spoke only to answer the charges put before him.

The court heard that Ross had 'no recollection of what happened'.

He was sacked from his management position at the accountancy firm in February last year and has been out of work since.

District Judge Angus Hamilton adjourned the sentencing for the preparation of a pre-sentence report.

Ross, of Walsall, West Midlands, admitted two charges of sexual assault.

He was bailed and will be sentenced at the same court on September 1.

THE KILLERS CREW SEX RAP 'UNTRUE'

THE Killers say they have found no evidence to support allegations of sexual assault by members of their touring crew in 2009.

The rock band's legal team launched an investigation last week after their former sound engineer claimed to have heard crew members discuss the sexual assault of an unconscious woman in a dressing room at a gig in Milwaukee, Wisconsin.

After speaking to the female engineer, as well as venue staff, tour staff and the alleged victim, the legal team said they were "unable to find any corroboration whatsoever" for these claims.

However, the Las Vegas-formed band, who have headlined Glastonbury twice, urged anyone with further information to contact them.

The claims emerged last week in a blog post by the sound engineer, who said she'd worked with The Killers briefly in 2009, and claimed she had been the only female touring with them at the time.

None of the band were implicated in the allegations.

Their representatives said at the time that they were taking the allegations "extremely seriously" and they were "astonished and shocked by these claims".

In a statement, The Killers' legal team said the "serious accusations" were "discovered to be entirely unfounded".

WPC DICKS 'GAVE ORAL SEX TO SARGE IN COP SHOP'

'Several times', it is claimed

By **ROY DURRIDGE** news@sundaysport.co.uk

A YOUNG woman PC is facing the sack after being accused of performing oral sex on a sergeant many times around their main police station.

WPC Jemma Dicks, 28, allegedly carried out the sex acts at "various locations and dates" with her married boss in their busy city centre police station over a 10-month fling.

Their affair came to light after burly Sgt Adam Reed, 40, was accused of taking sneak photographs of another woman officer's feet with WPC Dicks in his office.

He was challenged about taking the secret snaps without consent – and later admitted having a "foot fetish".

Both now face a disciplinary hearing with top brass for "discreditable conduct" for their sex games in Cardiff Central police station.

A former colleague said: "Everybody suspected something was going on – Adam lost a load of weight and even grew a trendy beard. He was infatuated with her.

"But it all went wrong and she lodged a complaint about him. That's when it all came out what they've been up to in the station."

It is big blow for WPC Dicks who followed in her dad's footsteps to join the thin blue line.

When her father Mark Dicks, 53, died four years ago she asked if his old collar number – PC 1115 – could be reallocated to her.

ACCUSED: PC Dicks

FETISH: Sgt Reed

But now PC Dicks will face a disciplinary hearing at South Wales Police next week.

The charge reads: "It is alleged that on various dates between November 2017 and August 2018 WPC Dicks gave PS Adam Reed oral sex in various locations at Cardiff Central Police Station."

Charges

Sgt Reed – who has since left the force – is also accused of three charges discreditable conduct, including when another woman officer was due to take a statement from WPC Dicks in his office.

The charge states said: "Whilst this officer was sitting in his office addressing that matter he used his mobile telephone to take a number of photographs of her feet.

"He did so covertly without her consent. He has since disclosed that he did so because he has a foot fetish."

Reed is also accused having oral sex with WPC Dicks at the station and – during the middle of their affiar in May 2018 – of having sexual intercourse with another unamed serving PCSO while on duty.

TONED: Alicia in catalogue sporting bargain gadget

Alicia was tops as an Argos babe!

THE news that Argos were to stop producing their famous catalogues and going all hi-tech on us was devastating – especially as it launched the careers of much of our favourite telly totty.

Holly Willoughby, Tess Daly, Emma Willis and Lisa Snowdon all graced its bargain-laden pages over the years – and in various stages of undress.

But the biggest assets to emerge from the famous tome belong to mega-fit glamour model Alicia Douvall.

The 41-year-old 30E celebrity model, from Chiswick, west London, who's dated some of the world's most handsome men including Simon Cowell, Mickey Rourke, John Terry and Dean Gaffney, once featured in the catalogue sporting a body-toning gadget available at a pretty remarkable £49.50.

Alicia, speculated to have had as many as 300 cosmetic surgeries in her years at the top, clearly knows a bargain when she sees one.

Ross is stung into praising 'lovely' NHS

TV 'tough guy' Ross Kemp has praised the "lovely" NHS after his face swelled up following a wasp attack.

The ex-*EastEnders* actor, 56, was stung around his mouth and nose after disturbing a nest in a loft space on Monday.

Kemp, who is famous for documentaries in violent environments such as *Ross Kemp On Gangs*, said doctors gave him hydrocortisone cream to reduce the swelling.

Speaking in a series of videos to his 207,000 Twitter followers, he said: "Now being seen by our fantastic NHS – local doctor's just giving me a hydrocortisone. Hopefully that's going to bring it down a bit."

Ross also imitated the Rolling Stones' frontman's famous lips, joking: "I look like Mick Jagger, don't I?"

He also warned about disturbing a wasp nest, saying: "I am very lucky that they only stung me on my nose, in my nose and my top lip. It could have been far worse. Thank you again, you lovely, lovely NHS."

WIFE FILMED HUBBY'S SEX WITH CHICKEN

(...and both end up in front of the BEAK!)

By COLIN HURST
news@sundaysport.co.uk

A MAN has admitted having sex with chickens – while his wife filmed him at it!

Rehan Baig also admitted possession of dog-sex porn when he and Haleema Baig appeared in court to face a variety of charges.

Rehan, 37, admitted two counts of performing "an act of penetration with your penis on the cloaca (vaginal and anal passage) of a living animal, namely several brown and white chickens".

He also admitted possessing extreme pornographic images which were "grossly offensive, disgusting or otherwise of an obscene nature".

The court was told the images portrayed in an "explicit and realistic way" how a person could perform an act of intercourse with an unknown animal, a dog and several chickens.

Baig also pleaded guilty to making indecent photographs of children, as well as the possession of 405mg of cocaine and 4.07g of cannabis resin.

Aiding

His wife, 37, was charged with the same counts of possession of extreme pornographic images relating to the dog and chickens and possession of cocaine and cannabis resin. She denied the charges.

At an earlier hearing at a lower court, she pleaded guilty to three aiding and abetting counts, namely filming her husband having sexual intercourse with a chicken.

The couple, from Great Horton, Bradford, will next appear at Bradford Crown Court on September 25 to allow for preparation of psychiatric and pre-sentence reports.

The court heard that enquiries would need to be made to see whether the acts were committed on one day or on separate days, which would have a bearing on their sentences.

LET'S face it – as a pairing, well it was unexpected to say the least.

After mega-rich media mogul Rupert Murdoch jettisoned his lovely Chinese wife Wendi Deng in 2013, the old rogue could have been forgiven for hanging up his shagging tackle.

But three years later, he was walking down the aisle with Jerry Hall – his fourth wife – and the union featured in the recent BBC docu series *The Rise of the Murdoch Dynasty*.

It's clear the Aussie-born billionaire likes the taste of wedding cake.

Now, it would be unkind to think of Mrs Merton's words to Debbie McGee when she asked her: "So what first attracted you to the millionaire Paul Daniels..?"

But striking ladies do seem to have a thing for rich and powerful fellas – how else would the ludicrous pudding Donald Trump have ended up with former model Melania?

But sometimes tidy women end up with blokes and you think, "Really?" – and we're not just talking about supermodel Kate Moss and greasy junkie Pete Doherty.

Today we look at a few of the more interesting partnerships in the public eye and – because we're not the Daily F**king Mail – the ladies' teats, too!

TEEN 'KILLED TEACHER AND HID NAKED BODY FOR FIVE DAYS'

HORROR DEATH: Wheelie bin hid body of victim *(below)*

A TEENAGER murdered a teaching assistant in woods, then stuffed her body in a wheelie bin for five days before dumping it in a shallow grave in a cemetery, a court heard.

The naked body of Lindsay Birbeck, 47, was discovered wrapped in two plastic bags at the back of Accrington Cemetery, Lancashire, on August 24 last year.

The accused claims his only involvement in the woman's death was when he was offered money by a stranger to move her body.

By COLIN HURST
news@sundaysport.co.uk

Dragged

Twelve days earlier, the mother-of-two and keep-fit enthusiast left her home in Accrington for a walk to a nearby area of woodland known as the Coppice, Preston Crown Court was told.

It is alleged the 17-year-old defendant – who cannot be identified for legal reasons – killed Mrs Birbeck shortly after she entered the Coppice and concealed her body in a blue wheelie bin, which he dragged across to the cemetery five days later.

After her body was discovered, detectives issued to the media a CCTV still of a male pulling a wheelie bin and the defendant – then 16 – voluntarily attended a police station with family members.

He admitted moving the bin and burying the body but said he was not involved in Mrs Birbeck's death.

He said he was walking alone in the area when he was approached by a stranger who promised him "a lot of money" if he disposed of a body.

He stated: "He showed me where the body was and went away straight away, leaving me to 'get rid of the body'.

"I have not met this man before. I have not met him since, nor have I had any contact with him. He has not paid me any money.

"He was white, male, spoke English. I could not see his face well as he was covering it with his hood."

The teen has admitted assisting an offender, but the jury was told the Crown did not accept that plea and say he is in fact the killer.

The teenager denies both murder and manslaughter.

'Marry me' plot goes up in flames!

FIREFIGHTERS have issued a warning about candles after a man accidentally burned down his flat while trying to set the scene for a romantic marriage proposal.

The man left hundreds of tea lights burning in a balloon-filled room in his flat as he collected his girlfriend ahead of the special moment, South Yorkshire Fire and Rescue Service said.

But when the couple returned, they found the flat in Sheffield ablaze and three fire engines were on their way.

At least the man's girlfriend accepted his unconventional marriage proposal.

Sharing photographs of the gutted room on social media, the fire service said: "Fortunately our firefighters dealt with the fire quickly and nobody was injured."

scarlet BOUVIER

SEXY Scarlet Bouvier, 26, reckons the best way to please her is to tease her until she's BEGGING for you to bang her.

The 232E beauty from Brentwood, Essex, said: "I'm not too kinky but something that really gets me going is when a man uses his mouth and fingers to get me on the edge of orgasm...and then stops.

"When he does that over and over again I'm like a wild animal and know that any touch could send me totally over the edge.

"I end up begging to be shagged. It's absolutely amazing!"

SEXY NURSE CONFESSES:

I escape my boring marriage by cheating with loads of men

HIDING: 'Chloe' is keeping her true identity a secret

A SEXY nurse has revealed how she escaped her "boring" marriage by having "exciting" sex affairs with married men.

By JAYNE FERGUSON
news@sundaysport.co.uk

Chloe – not her real name – a 32-year-old hospital nurse from Nottingham, began cheating on her husband to inject passion into her life.

The mother-of-two had been with her husband since she was 16 and they had got stuck into a mundane routine where sex was unadventurous.

Chloe, who posed for pictures in her hospital scrubs wearing a face mask to protect her identity and showing her wedding ring, said: "I had just got a bit bored and thought there must be more to life.

"I just wanted a bit of excitement."

Affair

Chloe had her first affair with Sean, an insurance executive in his mid-30s who lives in London with his wife.

They both met up on *IllicitEncounters.com*, the UK's leading affairs site, and dated for 18 months.

Chloe said: "He was in a similar position to me and was looking for a discreet affair. I had been unfaithful to my husband a few times before then – largely one-night-stands after meeting guys in bars.

"But this was the first time I'd had a full-on affair. He'd travel up from London and we would meet for a drink and then go to a hotel for sex.

"It was nice to once again experience the rush you get when you are dating someone for the very first time.

"My job was useful in providing a cover for our meetings. I'd explain to my husband that I was working a night shift and then spend the night with Sean.

"I often work nights anyway so he was not that suspicious."

Chloe began a second affair with another married man she'd met on *IllicitEncounters.com* at the start of this year.

She said: "I dated him for the same reason I did with Sean – it was exciting to date someone new.

"We had sex a few times and it was fun.

"It fizzled out after a few weeks and I stayed with Sean, though it's been a bit tricky during the pandemic.

"My problem was that I settled down too young. I had never played the field when I was younger and I realised I had missed out on so much.

"Finally I was playing the field in my 30s and having a great time."

Chloe was forced to end things with Sean in March when his wife fell pregnant.

The COVID crisis was also engulfing the UK and Chloe was reluctant to break the rules and put patients at risk.

She said: "But I've still carried on browsing on *IllicitEncounters.com* and interacting with married men. Now the crisis has eased I'm ready to date again."

IllicitEncounters.com sex and relationship expert Jessica Leoni said: "Chloe is typical of our female members.

"They settle down with their first serious boyfriend and regret not enjoying their youth more. So they sleep around in their 30s and 40s."

More than one million people have registered with *IllicitEncounters.com* since the site was launched 17 years ago.

There has been a 25 per cent rise in dating activity in the last six months and subscriptions have gone up during the COVID crisis.

PC killers' terms 'too lenient'

JAIL terms handed to the three teenagers who killed PC Andrew Harper have been referred to the Attorney General over claims they are too lenient.

Henry Long, 19, and 18-year-olds Jessie Cole and Albert Bowers were sentenced at the Old Bailey on Friday for manslaughter.

Long, from Mortimer, near Reading, Berks, was handed 16 years, while Cole, from Aldermaston, and Bowers, of Mortimer Common, were each handed 13-year terms.

PC Harper (*left*), a 28-year-old traffic officer for Thames Valley Police, died on August 15 last year when he tried to stop the trio fleeing after they had stolen a quadbike in Stanford Dingley, Berks.

MUSEUMS have launched a hunt to find the statues and artworks with the best BUMS.

The challenge has gone worldwide after cheeky staff at the Yorkshire Museum were first to have a crack as part of their regular "curatorbattle" on Twitter.

The tweet then challenged other venues to share their "#BestMuseumBum".

It led to examples from countries such as Greece, Italy, Japan and Russia.

And the trio of bare bums on The Three Graces sculpture at Liverpool's Walker Art Gallery certainly makes the grade.

Global

The museum said it would be "the cheekiest #curatorbattle yet..." and encouraged people to "submit the most delightful derrieres from your collections".

It sees the battle as "a chance for museums big and small to share their objects under a given theme to create what essentially become global online exhibitions".

But here at *Midweek Sport* we reckon every bum is a work of arse – sorry, art – and so here are five pages of your fave models and celebs baring their trumping kit...

State Trooper Nik Green was an everyday hero – a devoted dad to three daughters, a loving husband and someone who wore his police badge with pride. But when Nik tragically crossed paths with drug fiend Ricky Ray Malone, he was executed in cold blood by the side of the road...

HERO COP BEGGED FOR HIS LIFE

HONEST AND DECENT: But cop Nik Green was shot with his own gun

By KOURTNEY KENNEDY
news@sundaysport.co.uk

OKLAHOMA Highway Patrol lists Nik Green's "end of watch" as Boxing Day 2003.

But Nik, 35, didn't just finish a shift – he punched out for good in a hail of bullets fired by Ricky Ray Malone.

Nik had earlier begged for his life – a heart-breaking video recording from his patrol car attests to that fact.

Blood

But Malone, now 45, showed no mercy. Instead he taunted and teased a stricken Nik before gunning him down in cold blood.

The outpouring of love for Nik when he was cruelly murdered shows just how much respect and admiration he commanded.

DEALER OF DEATH: Car's dashcam shows Malone blasting Nik in the head

Colleague Cpt Bret Camp described him as "one of the best men I have ever known" and trooper Duane Johnson added: "Nik Green was one of the kindest, most decent and honest people ever to have lived on this earth. He was as good as they get as a trooper and a lawman. I miss him every day."

When Malone was sentenced to death for the ghastly crime in May 2005, Nik's wife Linda buried her head in her hands and wept uncontrollably – she still had to take care of their daughters Cortni, Brooklyn and Morgyn.

Linda, who was forced to quit her job as a primary school teacher to deal with the fallout from her husband's slaying, says her faith in God somehow kept her strong through the bleak, dark days.

Speaking in 2015, Linda said: "Nik's first priority was God, then myself and the girls.

"When everything happened, I had to stay focused on living because I had to take care of my children.

Woken

"That's what God wanted and that's what Nik would have wanted. We were the remnants. We were what was left. We just had to carry on."

Linda and Nik had been sweethearts as teenagers, having first met at Pasture High School in Randlett. On the morning of his murder – the day after Christmas – Linda was woken early by her husband.

Nik had got up three hours early for work, kissing her goodbye while she dozed.

Court documents state: "Linda Green testified about what she overheard from their bedroom on the morning of December 26, 2003.

"She said someone had come to their door, then her husband came to kiss her goodbye, already in uniform, and told her he was going to go in early that day.

"She then described her mounting anxiety that morning as she began to get information that something might be wrong, before eventually being informed by a dispatcher that her husband was dead."

So who had come to the door, rousing Nik from his sleep?

It was Abigail Robles, a woman who delivered newspapers and who knew Nik.

While out driving, she'd spotted a white car parked at the side of a rural dirt road.

Inside the car there was a man slumped in the driver's seat, his feet hanging out of the car.

Abigail was worried the man might be dead so she drove straight to Nik's house to ask him to help.

Despite not having clocked on yet, Nik was more than happy to answer the call of duty.

Court files reveal: "Nik Green had been sleeping but was woken by the knock on the door.

"He listened to Robles' story, told her not to worry about waking him and reassured her that he would check out the situation."

The man lying slumped in the car was Malone, a former firefighter who'd fallen on hard times.

He'd started making his own methamphetamine, a drug known to trigger vivid hallucinations and violent behaviours.

When Nik arrived at the scene, it must have been obvious to him that Malone had been making meth in his car, using it as a mobile laboratory.

Arrest

The legal files reveal: "According to statements made by Malone, Trooper Green arrived at the scene and attempted to rouse Malone by talking to him and shining a light in his face.

"Green informed him he was under arrest.

"He was able to get a handcuff on Malone's right wrist before he decided that he wasn't going to go quietly back to jail.

"Malone somehow broke free and a battle ensued between the two men that tore up the grass and dirt and knocked down a barbed wire fence.

MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...

IN FRIDAY'S

'IF I'M NOT A MONSTER THEN WHAT AM I?'

NO MERCY: Malone faces the news that he is heading for Death Row

"Malone's cap ended up in the fence, while Green's baton and a Glock 9mm pistol were left lying in a ditch.

"The fight resulted in numerous scrapes, cuts, and bruises to both men."

The scrap lasted for around six minutes. We know this because the dashcam on Nik's patrol car recorded the whole thing.

While the video doesn't show the men fighting, it does record harrowing audio.

At some point, Malone gets the upper hand and tells Nik not to turn over.

Nik tells Malone that he didn't have a problem with Malone and that he came to help him.

He tells Malone: "Hey, run if you want to go but leave me. Please! Please! I've got children."

Nik is also heard saying he's married and begs Malone not to shoot him.

Malone at first appears in two minds as to what he's going to do. He tells Nik that he won't shoot him as long as he stays still and tells him where the key is for the cuffs.

The court documents reveal: "When Green suggests he has another set of keys in his vehicle, Malone responds, 'I don't need to know'. Green seems to recognise the significance of this statement and, after a few seconds, begins pleading, 'Please don't. For the name of Jesus Christ. He'll deliver. Lord Jesus!'

"At that moment a shot can be heard. It is followed by 11 seconds of silence, and then another shot."

Wound

Two minutes later, Malone fled the scene in his car.

Nik's body was to be discovered by Deputy Charles Thompson of the Cotton County Sheriff's Department.

Thompson said: "I found him face down in the ditch, with his arms and legs spread, a few feet to the right and front of his patrol car.

"It was obvious from the massive wound to the back of his head that he had been shot and that he was dead."

Malone sought refuge with friends, telling them: "I killed him, I killed him. I killed a cop."

He told pal Jaime Rosser: "I shot a highway police officer two times in the head.

"On the first shot, the bone part of the skull stuck to the gun, so I shot it again to get the gun clean."

Three days later, Malone was in police custody being charged with Nik's murder.

During his trial, he tried to argue that he shouldn't get the death penalty because he'd been so out of it on meth he wasn't responsible for his own actions.

But a jury thought otherwise.

And a victim impact statement read by wife Linda brought the court to its knees.

The official documents revealed: "Linda Green described being in denial about her husband's death for months. She told how hard it was to find herself raising three children alone.

"She described having deep, gripping, physical pain, which she attributed to having 'broken heart syndrome'.

"She told how she had difficulty breathing and would feel her heart racing with no apparent physical cause.

"She also described the emotional struggles of 'living single in a double world' and always feeling 'lost and out of place'.

Soulmate

"Mrs Green testified she had lost her best friend and soulmate and that the hardest thing was 'to press on with our daughters'.

"She told how their oldest child, Cortni, now suffered from depression and severe headaches and had become afraid of the dark.

"Mrs Green also said their middle daughter, Brooklyn, suffered from abdominal pain for which a physical cause couldn't be found and that she wouldn't talk to anyone about her feelings and fears.

"She said that her youngest child, Morgyn, often had nightmares and suffered separation anxiety.

"Mrs Green added that 'the most painful thought' she could conjure up was of the future weddings of her three daughters with 'no proud father to walk them down the aisle'."

Linda also addressed the jury directly.

She told them clearly: "I know, as you all do, that Nik begged for his life that day. He asked for mercy.

"There was no mercy shown to him.

"It is for this reason, ladies and gentlemen, that today I beseech you to show no mercy to Ricky Malone.

"I beg for you to give him the maximum penalty under the laws of the State of Oklahoma, which is the death penalty.

"I urge you to leave the business of mercy for Malone in the hands of the Heavenly Father, where it belongs."

The jury then decided, if they hadn't already, that it was sound advice and today – having lost two appeals against his conviction – sick Ricky Malone is closer to his Judgement Day.

TEACHER'S LESSON IN SEX AND DRUGS...

WATCH AND LEARN? Steamy GoT scene

A TEACHER has been suspended after instructing underage students to watch a video featuring sex and drugs.

Shane Kennedy directed two separate classes in an elementary school to view a webinar called "Impact of Media Violence on Today's Youth" in June 2018.

But the video was designed for parents and educators, not children, and includes a three-minute montage showing "physical violence, assault, sexual content, sexual violence, drugs, drug use, alcohol use and gender stereotyping".

By GRACE HOOPER
news@sundaysport.co.uk

Snorting

The clips in the montage include a sex scene from *Game of Thrones*, which was cropped to avoid graphic nudity, and a scene from the movie *Flight* that shows Denzel Washington snorting a line of cocaine.

Five parents later complained after learning about the montage, but Kennedy claimed that watching it was strictly optional.

"This is not a message he shared with other students or their parents," a commissioner for teacher regulation in British Colombia, Canada, wrote in the decision.

The Coquitlam school district suspended Kennedy for three days without pay in the 2018-19 school year.

And after reviewing the incident, the commissioner ordered a further one-day suspension of his teaching certificate to be served in October.

#HOT 'N' HORNY

FITTIE Fern Hosh says she loves the thrill of getting caught on the job outdoors.

Whether it's in a field or in a cinema, the 30DD babe admitted she gets a thrill from risky sex in public places.

Beauty Fern, 24, who's from Hounslow, west London, said she likes spontaneous sex and going for it when the mood strikes.

She said: "I love nothing more than having a day out with my fella and things taking a steamy turn.

Horny

"Spontaneous sex is always the best. It should always be an animalistic, need-you-now sort of thing.

"So if you happen to be having a picnic – when the weather is fine – or out at the cinema, what can you do?!

"There's something so horny about doing something you shouldn't be doing and knowing you could get caught doing it at any time."

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

Hey... lefties, leave our kids alone!

UNI GONE LOONY?.. Prestigious Cambridge *(above)* and Oxford *(below)*

A NEW report out this week has confirmed what we already knew.

People who work in universities and other education establishments who do not necessarily align themselves with Che Guevara or other insane, violent Communists aren't – blow me down with a feather – too popular.

No matter that the entire ethos of education is to educate – to teach two plus two equals four, i before e, and all that jazz – the reds-in-the-bed with their weird leather elbow patches want to not actually educate but INDOCTRINATE instead.

Those educators with a favourable view about, say, Brexit, feel unable to say so because their oppressive leftie colleagues don't so much frown at it but demand you get sent to the Gulag.

Daring to suggest that men cannot give birth because they don't have wombs – because being men, they are not women – is rewarded with an immediate dismissal from so-called polite society.

Saying "he" or "she" is to be denounced as a phobe or an ist or an ism on Twitter.

DO NOT KNOCK! Jeremy Corbyn

And God help you to Hell and back again if you happen to think Jeremy Corbyn was, at the end of the day, a bit shit.

Because opposing views, to these people, are simply not allowed.

And they want to make damn sure *our* children grow up to be exact clones of themselves.

This is where something went fundamentally wrong in Blighty and it unfortunately dates back about 50 years to the dawn of Cultural Marxism.

You don't have to be a student of politics to know that CM is essentially a large, but stealthy, effort to rid people of "wrong" thoughts and attitudes.

They run the schools and universities, yes. But they also run most councils, charities, government institutions, the civil service, the military, a lot of police forces, and Whitehall itself.

Some might vote in a right-wing pillock like Boris, but fear not – at nuts and bolts level it is still the left that run this country and they have been doing so for decades.

Now, most of us have enough self-awareness to realise that not everyone is going to agree with us.

This is what we commonly call "reason".

But there is a tiny, and very shouty, minority who insist that if we don't agree with whatever hobby horse they're banging on about today, then we are non-people.

We should not exist.

Demented

They solemnly preach "tolerance" – but lack any ounce of it themselves unless you are prepared to not just sign up to their demented ideologies but be forced at gunpoint to shout proudly about them, too.

Be it Brexit, wind turbines, Greta sodding Thunberg, fracking, nuclear power, wearing facemasks, the weather, plastic bags... you know the score.

If you don't immediately and enthusiastically agree with them, that's it. You're out. Fired. Cancelled.

Christmas is no more – although even saying Christmas will offend someone, too.

Enough. ENOUGH!

If you can't cope with plurality of thought – the mere idea that someone looks at things differently than the way you do – then that, my erstwhile friend, makes you a moron.

And it also makes you a closed-minded, prejudiced, bigoted, prick.

Hurts, doesn't it?

‘Mean’ Ellen story true, tweets Lea

BACK to the Future star Lea Thompson has backed actor Brad Garrett’s claims about “mean” behaviour behind the scenes on *The Ellen DeGeneres Show*.

Garrett, a six-time guest on the show, said last week he “knows more than one who were treated horribly” by the host – months after allegations of behind-the-scenes bullying and mistreatment came to light.

“True story. It is,” wrote Thompson *(above)* in a tweet after it was reported the show is the subject of an investigation of “staff experiences on set” by WarnerMedia.

Meanwhile, it is claimed Ellen WILL come back to host her show’s 18th season as investigations into allegations of a toxic workplace continue.

The daytime talk show has been hit with claims from past and current staffers that producers perpetuated a toxic work environment that included bullying and racism.

Lost sailors found alive – thanks to SOS sign in sand

THREE lost sailors were rescued on a small Pacific island when airborne search crews spotted their “SOS” sign in the sand.

The men were found on Pikelot Island – an uninhabited Micronesia archipelago 118 miles away from their intended destination.

Their SOS sign was spotted by Australian and US rescuers.

The sailors had left the Federated States of Micronesia island Pulawat atoll last Thursday, intending to sail 27 miles to Pulap atoll.

But they got lost and ran out of fuel, ending up on Pikelot Island for three days before they were spotted.

They were in good condition and were given food and water before getting picked up by a Micronesian patrol vessel.

DRUG-CRAZED SEX MISS LOCKED UP

But she’ll only spend ONE YEAR behind bars

‘PLAY WITH ME’: Woods’ message

By GRACE HOOPER news@sundaysport.co.uk

A TEACHER’S assistant who shagged a boy in her school “sex pod” while blowing £1,000 a week on drugs and booze will probably serve just over a year behind bars.

Nicole Woods, 55, was abusing everything from booze, crystal meth, heroin, LSD and nitrous oxide when she sexually abused the 15-year old.

The mum-of-two, who also sent the boy nude images, originally denied everything until her young victim – now 19 – was due to give evidence against her.

She had faced 15 years in jail for her breach of trust, but instead now will walk free in little over a year after her sentence at the County Court of Victoria in Melbourne, Australia.

Troubled

Judge George Georgio sentenced Woods to four years and two months in jail, with a minimum of two-and-a-half years.

With time served, she will be out in just over 12 months.

The teacher’s aide had been employed by her victim’s school in 2016 to help visually impaired students.

But from her “pod” at the rear of the classroom, the drug-addled predator began to drum up a personal relationship with the troubled teen.

She would buy him food and even paid for repairs to his mobile phone.

Eventually she sent him a message through Facebook asking the boy to “come play with her” in her room at the back of the class, which was the first in a series of sexual assaults.

The abuse continued during homework club after school throughout the year within her classroom “sex pod”.

After her arrest, Woods blamed her young victim and told a psychiatrist that he had wanted it.

“I didn’t ask him, he asked me,” she claimed. “It was consensual.”

Woods pleaded guilty to two charges of sexual penetration of a child aged under 16.

THE WORLD FAMOUS AGONY Page

Dear Lexi,

I RECENTLY moved to a new house and my neighbour, a tasty sort in her late 30s, soon introduced herself.

She invited me to a quiz night at the local boozer with her and two mates. They were also late 30s, blonde and sexy.

It soon became clear that they were not interested in the quiz – they wanted me.

I invited them back and they took turns to suck me off. I shagged all three before they got down to some lesbo fun. It was great to watch them sucking each other's tits and clits.

To finish, my neighbour stuck a dildo up my arse while I took one of her mates from behind as she licked her pal out.

We don't go to the quiz nights now, they just come to my place and we f**k.

I'm so glad I moved and several of my mates are now looking for houses here.

FF, Essex

Lexi says...

I BET they are!

Dear Lexi,

I'M a 23-year-old blonde and I thought I had met the man of my dreams a few weeks ago.

He's a real hunk in his late 20s, with a great physique from his regular workouts at the gym.

But I found out that not only does he still live at home with his mum, but he's a trainspotter!

Anyway, I managed to persuade him to stay over at my place, where I discovered he has a penis to match the rest of his great body.

It's a good, solid nine inches but the problem is that he's not got much idea how to make the best use of it.

I've given him a few pointers, but when it comes to getting his long loco into my love shed he's a bit clumsy and arrives too soon.

Should I blow the whistle on our relationship?

JB, Cumbria

Lexi says...

KEEP steaming ahead until he's on the right track.

Bonking missus and busty Aussie nanny is exhausting!

Dear Lexi,

MY wife and I both work full-time for lucrative businesses and took on a nanny to help at home a few months ago.

She's a busty Australian and it wasn't long before we started shagging.

I was off work one day and saw her stood in front of the mirror in her room starkers.

She beckoned me in and we were immediately kissing and groping each other, as she ripped my clothes off.

I lay her on the bed and licked her pussy, then she got down on her knees and sucked me off.

We had the most amazing sex and have been doing so for a few weeks now.

My wife is no slouch in bed, but she's a hard worker and is often too tired for a bit of hanky panky when she gets home.

She doesn't suspect a thing, but the hired help keeps playing footsie with me under the table at shared meal times, leaving me feeling really horny.

I'm infatuated with her and I've been taking a lot of time off work – just to bonk her.

I've also been having sex with my wife in between, to keep her happy, but it's exhausting.

I'm worried I'll lose them both – and my job – as I keep dozing at my desk.

What should I do?

LD, Wiltshire

Lexi says...

EMPLOY a nanny who looks more like Mary Poppins, then you won't be tempted to shag her.

Massage parlour girl's sensational bum deal

Dear Lexi,

I'M a 23-year-old builder and I have been working with the same gang for three years.

Recently, we were sent to work on a big job on a site in Birmingham and every night turned into party night at a local massage parlour.

One night I hooked up with a lovely Chinese babe whose speciality was taking it up the arse.

It's always been a big turn-on for me to back-scuttle the ladies because, I have to confess, I'm a bit on the small side in the dick department and a bum-hole is nice and tight.

Plunged

Needless to say, I had a whale of a time with this Chinese chick.

She told me that to get maximum pleasure she must first insert a strange sex toy up her fanny.

She put on a bit of a show for me, fondling her tits and slipping the toy in and out of her juicy hole.

Then she got on the bed and waved her cute little arse in my face.

My cock was rock-hard and I couldn't wait any longer, so I plunged into her.

Once inside her I could feel the whirring sex toy in her c**t pressing against my prick.

She must have been feeling something good too because she went off like a rocket, screaming as I spunked up her.

It was an amazing experience and I collapsed on the bed feeling totally elated.

I showered down and thought that would be the end of it and I would go back to my mates to share my great time with them.

But she told me not to leave just yet because she had one more surprise in store for me.

Then she worked my knob back to stiffness and gave me a fantastic blowjob, which she said was to say "thank you for such a good arse-f**king".

I was completely blown away and I couldn't get her out of my mind, so I arranged to meet her out of work.

I asked her to marry me, but she says she has to pay off debts of £10,000 first.

Do you think I should do it?

HW, Liverpool

Lexi says...

NO. Because you'll end up being the sucker.

Dear Lexi,

MY divorced mum is always trying to get off with my male pals aged 19 and 20.

Last week she was in the back garden sunbathing topless and her nips were rock-hard. Everyone could see them!

What can I do to make her grow up?

KF, Suffolk

Lexi says...

YOUR mum is a woman and has her needs.

Boozy night led to threesome thriller

Dear Lexi,

I SHAGGED my bird and her fit mate a couple of nights ago. This was the first threesome I've ever had and I have to say that it was brilliant.

I'd fantasised about being in bed with two women from being in my late teens.

And it was fuelled by watching porn films, where two stunnas hungrily take it in turns to slobber all over some lucky guy's knob.

Me, my missus and her mate had been down the pub to celebrate a win we'd had on the horses.

We had a cracking time, trying out different sorts of fancy and expensive drinks and we were absolutely leathered when we got back to my flat.

My bird and her pal, who are both blondes, then suddenly started kissing each other, so I got my cock out and they got on their knees and started licking it.

Tight

I then did my bird from behind while her mate licked and played with my balls.

Then I did her pal. It was amazing – her fanny was tight and I couldn't help myself and after five minutes I shot my load over her boobs.

I shagged them three times each and watched as they licked each other out before we all collapsed exhausted on the carpet.

I'd love another go, but my bird now says the whole thing was a mistake and will never happen again.

What should I do?

PV, west Yorkshire

Lexi says...

GET them pissed again!

Dear Lexi,

THE mechanic at my local garage is a dark, muscular hunk.

I see him around the local pubs quite a bit and I've fancied him for quite some time.

I couldn't help but notice him the other afternoon as he was bent under a bonnet fixing a car engine.

He had his shirt off and it got me thinking how to come up with a cunning plan to bed him.

I'm no mechanical genius, but I thought that if I pulled a few wires out under the bonnet of my car I'd stop the motor.

It worked and I rang for help, claiming the car had been sabotaged.

He rolled up and took it away on a trailer to his garage.

When I went in to the garage the next day, he handed me my keys and a bill for a £100.

The good news is that I asked him to take me out for a test drive and we ended up having a great shag in a lay-by.

Then the bombshell. I was thinking this could be the start of something special, but he said he had a girlfriend.

Now I feel a right idiot.

LP, east Midlands

Lexi says...

IT'S a costly mistake. But don't complain, at least you had a great shag!

MIDWEEK Sport
ALWAYS HOME OF TOPLESS BABES

'THE feeling of vulnerable is the thing that really is arousing for me.

A dom/sub roleplay where I'm being controlled and my boundaries are being pushed is super hot – I love it a bit rough!

Often, I like the regular, fairly tame domination stuff... such as holding me down by the wrists, being tied up and having my bum spanked.

And when I'm feeling *really* horny and freaky, I love a bit more of the extreme BDSM –including the stuff when it's humiliating.

I have a dog collar and leash and I like being called a slut or sex slave and being slapped about a bit and used like an object.

It's best with someone I trust and when there's a slow build-up.

And when I'm in that truly submissive do-what-you-want-to-me place, I enjoy being face-f**ked roughly and banged hard in all my holes!

I also like being the dominant one from time to time, but truly I'm most turned on when I have all my control taken away!'

angel WICKY

BUSTY glamour girls Angel Wicky and Katerina Hartlova are the BREAST of friends.

The couple teased the camera as they groped their norks and puckered up to each other in a lusty lesbian photo shoot.

And 32DD lovely Angel – who for some reason we claim is from Reading, Berks – gave a hint as to what the duo might have gotten up to when the camera stopped rolling.

Angel, 29, said: "Having sex with a girl is gentle – it's about touches, kissing and fondling.

"We know what we like and are more open to each other.

"I like to dominate, play with her, tease her and satisfy her."

Squashing her 36FF pair against Angel is 28-year-old Katerina, who we outlandishly insist is from Peterborough.

She revealed: "I love lots of foreplay and I get really turned on by having my boobs played with.

"I can get really close to orgasm just having my nipples licked and stroked."

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

REALITY TV fan Rob Owens wanted a sexy photo of Gemma Massey to prove to his pals she's the fittest reality star there is.

Rob, 26, from Huddersfield, works in a call centre and said all his mates are addicted to reality tv series.

But Rob says 32-year-old Gemma, who starred in 2017's *Big Brother* is still TV's hottest reality star.

Rob was clearly impressed by the 32G babe from Tamworth, Staffs..

He said: "I need to settle an office debate so please can you print a topless photo of Gemma in the paper.

"I'll win this hands down!"

NEKANE SWEET

TREE surgeon Martin Quinn chops down huge oaks for a living – but it's Spanish babe Nekane who gives him a serious case of wood.

Martin, 36, from Guildford, only has eyes for the 26-year-old model and wanted a snap of her 36Ds.

He told us: "Nekane is a real beauty and I've never seen a more perfect pair of knockers – she's just a proper stunna if you ask me.

"If you could print a photo in the *Midweek Sport* of her boobs, it would be really appreciated by the lads at work!"

EMMA SPELLAR

FOOTBALL coach David Hicks asked for a photo of east London beauty Emma Spellar so he can give his players a pre-season pick-me-up.

David, 43, coaches a Sunday league team in the capital and said a saucy shot of fellow Londoner Emma, 34, will give his team a boost.

He said: "All the lads are West Ham fans and they've been a bit down after this season's form in the Premier League.

"I promised them I'd show them something from the East End that was still top quality – a pic of 32DD Emma in the dressing room for the new season will be a good luck omen!"

#HOT'N'HORNY

HORNY Hannah Claydon loves the great outdoors – and once had the time of her life shagging in the woods!

Stunna Hannah, 34, from Wakefield, West Yorkshire, was asked where her wildest place for nookie was.

Hannah, who boasts 32GG boobs, said: "It was in the woods. I was out for a walk with my man and the mood came over us.

Exciting

"One thing led to another and we just ended up doing it. It was so exciting knowing someone could walk past and catch us at it at any moment!"

Hannah's speciality is a slobbery gob-job.

She purred: "I've been told I'm very good at them, that I've got a fantastic technique and I know what I'm doing!"

NEW BOY: Adam Lallana

Adam Bright and breezy at Seagulls

ADAM Lallana is adamant Brighton have what it takes to charge up the Premier League.

The Seagulls' new signing from Liverpool says he can see some similarities between the clubs — with their playing style at least.

He has been on a journey at Anfield that took them to the very top of the pile and believes Brighton can do the same and start challenging for a place in Europe.

The 32-year-old has just signed a three-year contract at the Amex and wants to play a big role on and off the pitch for boss Graham Potter.

Lallana said: "In terms of a way of playing, they want to handle the ball, control play and dominate possession – they are some of my strengths.

"It excites me to play like that, but you can't just rely on it. You have to be prepared to win tackles and win the ball back as well.

Project

"If you get the right mix by being successful both with and without the ball then that's a formula to do well.

"If you play well more often than you don't, you'll win matches by doing the right things.

"It's a project and it takes time to build. I saw it at Liverpool where we won the league in Jurgen Klopp's fifth year.

"It's a phase-by-phase development process.

"You might not get results overnight, but if you stick to it then you'll be working towards something and that's what I can sense we're going to do here at Brighton."

NEW BOSS: Potter

OLD BOSS: Klopp

Lallana is angry at suggestions that he'll just play out time and take the money at Brighton.

He believes he has plenty more to learn about the game and is a big fan of head coach Potter.

The former England midfielder added: "I'm sure there's so much more I can learn under the head coach, which is the same for all the players here.

"You're never too old to learn — that's the beauty of football, you can always improve.

"Everyone else is trying to do the same thing so it's important that as a team we keep showing signs of progress.

"That doesn't happen overnight, which is why the head coach has done such a fantastic job in terms of making that change to the playing philosophy and keeping Brighton in the league."

LOOKING UP: Arteta is happy to be in Europe

GUNNERS FIRED UP FOR EUROPA

FA Cup success a major step says Arteta

By PAUL THOMAS

MIKEL Arteta believes Arsenal's strong finish to the season is a solid platform to build a new future.

The Gunners ended the campaign by beating Chelsea in the FA Cup final.

Not only did that give Arteta silverware in his first season as Emirates boss, it also earned his team a place in the Europa League.

After finishing a poor eighth in the Premier, that was their only route into continental football.

And Arteta believes it's vital for Arsenal to be on that stage — even if it's the lesser competition. He wants to get the Gunners back as regulars in the Champions League and having silverware on the sideboard means better players will come — and fewer will leave.

The Spaniard said: "I didn't want to add too much pressure to the players, as I know how important it was to be in Europe.

"It is a must for our club and financially because it allows us to do more things in the future."

Arsenal are begninning to show some positive signs as Arteta lays down his ideas.

He has spent seasons sat next to Pep Guardiola as Manchester City's No2 and is trying to bring some of that philosophy to north London.

Gunners left-back Kieran Tierney thinks the message is beginning to get through to the squad.

He said: "You can see we are improving. There'll still be bad results, there'll still be bad games, but it is a process and we all trust and believe in the process 110 per cent.

"I think everybody can see we are going somewhere, we're building something."

Arteta would like to pull off two big deals before next season starts.

First, he is DESPERATE to keep star striker Pierre-Emerick Aubameyang at the club. And secondly he is keen on signing Philippe Coutinho from Barcelona.

The former looks a little more likely after his stellar performance in the FA Cup final.

Aubameyang scored both goals and the Gunners are willing to pay him big money — up to £300,000 per week — to sign a new deal.

As for Coutinho, Arteta sees him as a key man in the "David Silva" role.

He wants him to act as playmaker in front of two more defensive midfielders and pull the strings for the strikers.

Coutinho would prefer a move back to Liverpool but that looks unlikely as Jurgen Klopp is reluctant to spend.

United to have a LASK laugh!

GIVE IT A REST: United will bench their stars tonight

MANCHESTER United hold a 5-0 lead from the first leg of their last 16 Europa League tie with Austrian side LASK who lost six of their last 10 games to drop from first to 10th in the league.

It will be the biggest shock in the history of European football if LASK overturn the deficit, but it is not going to happen at Old Trafford.

For those not yet familiar with the revamped format for the Europa League United – OK then or LASK – will play the winners of Istanbul Basaksehir or Copenhagen in a one-legged quarter-final in Cologne on Monday.

Note the Turkish side take a one-goal lead to Denmark this evening.

Manchester United are the 2/1 favourites to lift the Trophy in Cologne on Friday 21st August with Inter Milan 5s, Bayer Leverkusen 7s and Sevilla and Wolves at 8/1.

United will rest players this evening with Monday's quarter-final in mind and, with Champions League qualification ensured, some will wonder whether they will have the motivation to go all the way to the final.

Indeed, with the Premier League starting up again on September 12 will Ole Gunnar Solskjaer's side consider the competition an unwanted distraction?

Wolves entertain Olympiacos of Greece tomorrow with the tie in the balance following their 1-1 draw in the first leg in Piraeus.

The Greeks ended Arsenal's involvement in the competition almost five months ago in London and they do have goals in their ranks, but they are without crocked first-choice goalkeeper Jose Sa and defender Ruben Samedo – suspended – and I think the Wolves will keep their European dream alive in a tight, tense affair.

Wolves are 3/4 to win the tie in 90 minutes with the draw 11/4 at Unibet and the Greeks 9/2 with BetVictor.

This is a tough game to call and do remember that Wolves began their campaign for the 2019/20 Europa League last July. Could they go all the way to Cologne on the 21st and win a club competition they began over 13 months ago?

These are unprecedented times but what a remarkable story that would be.

Rangers got the job done at Aberdeen on Saturday in the Scottish Premiership when it would be fair to say that Colombian striker Alfredo Morelos appeared to be carrying plenty of condition.

Rangers need to bring in a new striker urgently with Jermain Defoe again injured and perhaps another new acquisition could be a set of scales?

Rangers travel to Leverkusen tonight trailing 3-1 from the first leg and the Bundesliga outfit will play the next three rounds at home if they make it through.

That must be a huge advantage as is the fact that, at the time of writing, it looks as if Chelsea target Kai Havertz – seven goals and two assists in nine games since lockdown – will be available before completing his move to the Bridge.

Rangers are 17/4 to win the tie at Unibet and 18s at bet365 to qualify for the last eight.

An early goal in Germany would certainly put the cat among the pigeons and Rangers at 13/10 with Unibet in the double chance market – win or draw – is the recommendation.

SHAH OUT TO RULE AGAINST ENGLAND

CRICKET

PAKISTAN fast bowler Naseem Shah says he loves to see "fear" in the batsman's eyes.

The 17-year-old has been fast tracked into the Test side and hopes to line up against England in the first match of the series at Southampton today.

Shah has already faced the Australians and is getting a reputation for giving the batters plenty of chin music.

He followed that with seven wickets in two Tests against Sri Lanka including a hat-trick at his home ground.

Shah said: "It was an incredible moment. The best thing about it was that it was in front of my countrymen at Rawalpindi.

"Pakistan has been starved of international cricket for many years and I hope it was a special moment for fans who were at the ground.

"I hope it's the first of many records I can break, but above all, it meant that I had helped my country towards victory."

Now he wants to make a big impact in England where the eyes of the world will be on the series with so little cricket taking place elsewhere.

Shah added: "I always wanted to be a fast bowler and even in my school days, I loved to scare batsmen by bowling fast.

"I feel good when I see fear in the batsman's eyes, it motivates me to bowl even faster.

"Learning from your own coaches and teammates is vital, but I feel that watching the opposition bowlers and learning from them is almost equally as important.

"I'll be observing the English bowlers very closely, to see how they bowl in home conditions.

"I'm a big admirer of James Anderson who's been such a brilliant bowler for so long.

"You don't take hundreds of Test wickets without knowing what you are doing and to be around Anderson and have the opportunity to learn from him is something that I am not going to miss out on.

"Joe Root and Ben Stokes are two cricketers I rate highly, and it will be great to test myself against them.

"I respect good players, but I do not fear them."

JADON HIS WAY

Sancho to sign for United this week

JADON Sancho will be a Manchester United player within days.

By JOHN ANTHONY

Borussia Dortmund know they have lost their flying forward — it's now just a question of haggling over the fee.

The clubs are still far apart at the moment with the Germans adamant that they want £100m for their prized asset.

That's because he's had such a big impact on the Bundesliga and still has years left on his contract.

United are happy to get somewhere close to that figure — but are thought to want to pay the money over a few years and have some of it linked to Sancho's future achievements at Old Trafford.

The Reds have put an initial £60m on the table but that's not enough for Dortmund who want more of the cash up front.

Sancho himself has reportedly agreed a five-year deal with United and can't wait to start working with Ole Gunnar Solskjaer.

It will give the Norwegian a rapid frontline with Marcus Rashford, Anthony Martial and Mason Greenwood all among the quickest players in the league.

The deal must be done by August 10 when Dortmund start their pre-season training camp.
